Our Leaders: Honor Where Honor Is Due

The leadership of the Christian Education Department, following the vision of Pastor Linder, sets the standard for excellence in the training and development of Heavenview's children, teens, young adults, and adults.

This emphasis on training and development extends to the entire CE staff—with seminars, meetings, training programs (like UPCI Certification), and incentives (like the new Teacher of the Year initiative).

Teacher of the Year Initiative

Our **Teacher of the Year Initiative** at Heavenview is designed to encourage each teacher to consistently excel in teaching with excellence and overall faithfulness in the things of God. This will also give us the opportunity to "give honor where honor is due".

Each quarter a teacher whose efforts have proven excellent will be chosen as **Teacher of the Quarter**. During the upcoming quarter a banner/sign will be placed on the door of their classroom representing this honor.

In January each year a teacher will be chosen from the four names presented quarterly and will be honored as **Teacher of the Year**.

Thank you, CE Department Staff, for serving with excellence!

Ephesians 4:11-12 (NLT)

"Now these are the gifts Christ gave to the church: the apostles, the prophets, the evangelists, and the pastors and **teachers**. Their responsibility is to equip God's people to do his work and build up the church, the body of Christ."
